RIG 300HC STEREO GAMING HEADSET FOR NINTENDO SWITCH

VICTORY HAS NEVER FELT BETTER

The RIG 300HC headset for Nintendo Switch is designed to extend your gameplay and maximize your performance. 40 mm drivers deliver immersive sound quality, while SoundGuard acoustic safety technology protects you from audio spikes. Vented earcups, a lightweight frame and an ultra-stable fit keep you comfortable throughout your longest gaming sessions.

FEATURES

- Vented, lightweight exoskeleton earcups offer comfort and stability
- SoundGuard acoustic safety technology protects your hearing against unexpected audio spikes
- 40 mm drivers create a high-definition gaming experience
- The modular frame is lightweight and durable for a more comfortable fit
- Inline mute and volume controls
