**The return of the best-seller from the Cocoto collection!**

Cocoto and his friends are coming to the Wii U™: a non-violent game for the entire family, with a pistol accessory that the Wii™ Remote slides into for a more immersive gaming experience. Levels full of surprises, brand new gameplay adapted for the Wii U™ GamePad and up to 5 can play at the same time so you can share a frenzied game experience on a single screen... All of the ingredients that made the first in the series a success are back together again!

### Main features

- The sequel to the best-selling Cocoto game
- Several game modes, including the new 'Infinite' mode
- Up to 5 people can play at the same time, against each other or as a team
- 5 colourful worlds: jungle, volcano, Atlantis, desert and tropics
- Each level is brimming with surprises
- Simple and fun gameplay with both the Wii™ Remote and the Wii U™ GamePad
