THE SEQUEL TO THE BEST-SELLING 3DS HORSE GAME

The great Magic Tree of Drasilmare has been cursed! Only you can remove the deadly curse and save the world of Bella Sara.

Set off in search of the magic objects you will need to achieve your quest and explore the fascinating world of Bella Sara. Clothing, jewellery, wings, manes, colours... give free reign to your creativity and whimsy to create the horse and character of your dreams, and astonish your friends with your unique style!

STRONG POINTS:

- The sequel to Bella Sara 3DS, the best-selling horse game on 3DS
- 335 accessories for millions of combinations to create a unique character and horse
- The enchanting universe of Bella Sara that has inspired an entire community (850,000 newsletter subscribers, upcoming release of an animated film, novels for young people, etc.)
- Save your horse and character on the SD card of the 3DS so you can print them and send them to your friends
