Hit... Sunk!

At the helm of your fleet, use your firepower and **secret weapons** to sink the enemy navy before it finds all of your ships.

React quickly and adapt your tactics to become the master of the seas.

KEY FEATURES

- The classic board game revisited, with **exclusive animations and bonuses** that give the game a whole new dimension
- Set the game up the way you want: number of ships, grid size, available secret weapons, and **five levels of AI difficulty**
- Set up your Nintendo 3DS like a game board to play with a friend or in **wireless multiplayer mode with a single Game Card**
