THE VIDEO GAME VERSION OF THE MOST WATCHED TV SHOW IN THE UNITED KINGDOM

The Voice UK, broadcast in prime time on ITV, is the biggest family TV show with 8 million viewers each week.

The unique atmosphere of The Voice is reproduced in game modes inspired by the show's different sets. Sing the biggest hits solo or in a duet, with all of the official clips. Watch your performance live and practise keeping the tempo and melody by following the coaches' advice. The voice recognition system developed by Voxler adapts to your voice, so you can have fun and a good time whatever your level.

KEY FEATURES

- The Voice, as if you were there
- A British and international playlist with the best of Rock, Pop, Electro and R&B
- All the official clips
- The best voice recognition system available, developed and patented by Voxler
- In co-operation with ITV
