## USE ALL THE REAL HANDBALL MOVES AND TACTICS IN HANDBALL 17, THE BEST HANDBALL SIMULATION EVER

Find the 82 official teams from the most prestigious European leagues: the LIDL Star Ligue and Pro D2 in France, the DKB Handball Bundesliga & 2. Bundesliga in Germany and the Liga ASOBAL in Spain.

Handball 17 features entirely redesigned gameplay, revamped artificial intelligence and new levels of difficulty for an experience that is as close as it gets to the real thing while still being easy to play.

- All the players and official teams of the 2017 season
- Faster-flowing matches in both single player and multiplayer modes
- Easier-to-use controls
- All the handball moves: the hip shot, the spin shot, the feint...
- Several levels of difficulty
- A more dynamic Career mode
- NEW Season mode
