SOFTWARE - INFORMATION

REVOLUTION PRO CONTROLLER

HAS 2 X GAMING MODES:

Jump straight into the action in Pro Control Mode, or take your play further with fully-customisable* profiles in Advanced mode.

01. Pro Control Mode (blue halo)

- Plug & Play functionality with integrated DUALSHOCK®4 controls***
- Enhanced dual analogue sticks control with 46° amplitude

02. Advanced Mode (red halo)

- Instantly switch between 4x pre-loaded custom profiles to suit a range of games
- Modify or replace those profiles with 4x of your own (via the PC companion app*):
 - Assign macros on the 4x shortcut buttons – ideal for fighting games
 - Button re-mapping for a custom layout
 - Adjust the sensitivity and dead-band of triggers and right analogue stick – great for FPS
 - Independently adjust the vibration intensity on the left and right hand grips
 - Change the right analogue stick light for a custom look

* Windows® 7/8/10 PC and internet connection required

** Wired connection required for use with PS4™

*** Light bar and speaker not included
