Cocoto renews an arcade game classic!

The devilish Cocoto is back in an incredibly addictive game, brilliantly renewing the great brick breaker classic! Travel through the 5 planets of Cocoto's universe to protect them from alien fire by firing back their projectiles with your magic shield. Progress through the game confronting waves of more and more enemies with increasingly amusing weapons, and unlock new powers for your shield.

Main features

- Story, Arcade and Classic modes
- 50 levels
- 13 ultra-powerful shields!
- A myriad of enemies with increasingly amazing powers
- An original brick breaker for both young fans of the genre and arcade game veterans
