THE ONLY OFFICIAL TOP 14, AVIVA PREMIERSHIP RUGBY AND PRO12 RUGBY GAME

Next-generation graphics unrivalled in a rugby union game, voices by the real TV commentators*, accessible and precise controls, and emergent AI that dynamically adapts to situations and your playing style, so you experience all of the emotions of rugby union with the only official Top 14 simulation!

Take the helm of official teams and clubs from the most prestigious leagues: the Aviva Premiership Rugby, the Pro 12 and, in a world exclusive, the TOP 14 and Pro D2! Share your passion for rugby with players from around the world through the online social features and tables.

- One of the most broadcast, reported and watched sports worldwide
- A game developed by HB Studios, sport game experts (Madden NFL, FIFA...) and creators of Rugby World Cup 2011.
- For the first time in a rugby video game, carry out technical moves like cross passes, up-and-unders and behind-the-back passes.
- Authenticity guaranteed through the involvement of an international level consultant, Lewis Moody, 71 caps for England, five-time champion of England and World Champion in 2003.

**audio commentary available in English and French*
