Frédéric Raynal, the creator of Alone in the Dark® and pioneer of survival horror games, is back in full force with an uncompromising stealth horror-adventure game. Use all your ingenuity to step into the depths of Gloomywood, unravel the secret of the cursed city and rescue children held captive by psychopaths.

- **Confront 6 psychopaths** in their respective lair and save the kids from their claws
- **Unique genre-defining** game combining survival horror, stealth, action and strategy
- **A real challenge** that will require all your patience and nerves. Get ready for hours of gameplay!
- Cool and innovating **3D pixel look**

LIMITED EDITION CONTENT:

- 2Dark on physical disc
- Remastered soundtrack - 21 tracks performed by a symphony orchestra
- "The Art of 2Dark" uncensored art book
- Exclusive SteelBook®

WHAT THE PRESS SAYS:

"2Dark is full of these little touches that I find fascinating. I want to go back"

"Grim, gruesome and grotesque: A stealth-horror triumph"
