HUNTING SIMULATOR

THE NEXT GENERATION OF HUNTING GAMES

In **Hunting Simulator**, total immersion is guaranteed thanks to environments with **breath-taking graphics** and **animals with ultra-realistic behaviour**. With its different game modes and **hundreds of objectives** to complete, there is always a hunting adventure ahead.

KEY FEATURES

HUNTING SIMULATOR offers the most complete hunting experience on consoles.

- **OVER 35 ANIMAL SPECIES** living in their natural ecosystems
- **12 VAST HUNTING ZONES** based on actual regions around the world
- **DOZENS OF WEAPONS** (rifle, bow, crossbow...) **AND ACCESSORIES** (decoys, lures, wind powder...)
- **4 GAME MODES**: a campaign with more than 100 missions, waterfowl hunting, free hunting so you can progress at your own pace and a trap-ball mode so you can improve your shooting skills
- **CO-OPERATIVE MULTIPLAYER MISSIONS** with three of your friends
